Dear Gayle:

On behalf of the Nebraska Academy of Eye Physicians and Surgeons, I would like to thank you for providing a fantastic evening of *family entertainment!!* I have to admit that as I was planning our meeting, I was a little unsure that I would be able to find an entertainer that could appeal to both a two year old as well as a physician. Cindy assured me that you were the entertainer we needed and she was right on target.

In my thirteen plus years working in the medical industry, I've never seen anyone....and I mean anyone...who could get a physician on stage to perform in front of his peers. Your show was nothing short of magical. The physicians loved it, their spouses loved it, and well I think it is safe to say the kids loved it too.

Thanks to you, I'm confident that physicians and their families will be back again next year just waiting to see how we top your performance. Because of your enthusiasm and professionalism I will have a tough act to find for our 2000 meeting. Take care and thanks to both you and Cindy for participating in our meeting.

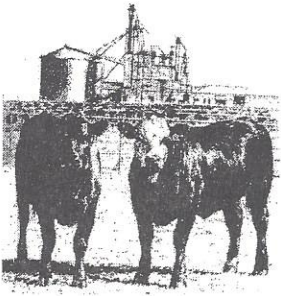

Sincerely,

Brian Curtis
Executive Director

P.S. I spoke with Rob at Eye Surgical Associates and told him he missed one fantastic show. I'm confident you will be booked for their event and if you need anyone else to endorse your show, don't hesitate to provide my name and number.

Dear Gayle,

On behalf of the York County Cattlemen I want to "Thank You" for making our banquet last week a great success. Your performance really helped make the evening one of fun and fellowship.

Sometimes we don't do enough to laugh or let ourselves be entertained but you didn't leave that up to us you took the crowd along on an enjoyable evening of magic and humor that all enjoyed. Our Cattlemen's group has had several Cowboy poets and humorists in the past and you were definitely a change of pace that everyone enjoyed.

You even help sell tickets with several of our attendees purchasing tickets after they had been to your other York performance a few weeks earlier. I'd say you are getting a pretty good fan club in our community.

Thank You again.

Sincerely,

Kim Regier

Dear Gayle,

On behalf of New Student Enrollment and the entire Big Red Welcome Staff, I would like to thank you for providing the entertainment at the 1999 Big Red Welcome Festival. I was impressed with how you integrated the audience into your act and how confident you were to keep the crowd when people at first wanted to leave. I think doing these two things would be the hardest part of your career and you definitely knew how to pull them off. I especially enjoyed how you illustrated to the audience that magic doesn't have to be the old "rabbit out of a hat" trick. You showed our college students a fresh and comical side to the world of magic.

In addition, I wanted to thank you and Cindy for being so friendly and easy to work with. I was very pleased with the set-up at the Union Plaza and thought it worked nicely for you. You helped to bring the perfect end to such an exciting and joyous day. I could not have been happier with the way the Big Red Welcome Festival went.

Thanks again for your entertaining performance. I hope you were able to benefit from Big Red Welcome as well.

Sincerely,

Mr. Becwar,

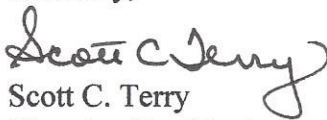

Thank you so very much for an outstanding performance at our annual awards banquet. I have received numerous telephone calls from Chamber members expressing their delight with the banquet, and especially your comedic and magic skills. You played here on a Friday evening, and at church the following Sunday at least seven people came up to me to explain they were impressed with your show. We asked for a G/PG rated show, and you delivered.

Besides the comments, I have received calls from two groups asking how to get in touch with you. I gladly gave them the number for Becwar and Associates.

After the show, you and I had the opportunity to visit a little before you had to leave. Reflecting back on the performance and our visit, it is very easy to determine why you are such a good performer... it's all about making people feel good. The love you have for your work really comes out in your show. And when the show was over and everyone started home, they all left laughing and smiling.

Our goals were to provide a good meal, keep speeches to minimum, surprise award recipients, and provide great entertainment. You helped us meet our goals and exceed our expectations.

Sincerely,

Dear Gayle:

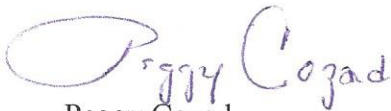

I would like to take the opportunity to thank you for entertaining at The HON Company recognition banquets on May 1 and May 2 at the Muscatine Holiday Inn. This was by far one of our best recognition banquets. You were superb! As Angela can tell you, I was a little reluctant on whether this type of entertainment would be appropriate for everyone since the honorees ranged from one year of service through 45 years of service. As it turned out, you were fantastic. Our members and officers of the company have continually raved about those evenings. This is the feedback we were anticipating.

My husband and I enjoyed meeting your wife and children. What a bundle of joy! Also, please say hello to Angela, she is just a delight.

It has been a real pleasure working with you and hopefully we can work together again. Once dates are scheduled for next year and final decisions are made on whether we are continuing with the same format, I will contact you.

I have enclosed your mileage expense check and the evaluation survey.

Sincerely yours,

Dear Gayle:

Your performance was outstanding! At the end of a long day of serious workshops, cutting edge networking and award winning presentations, you brought humor back into our meeting. You began with laughter and ended with laughter and that's a hard combination to beat. We thank you for ending our busy day on a high note.

Your ability to bring the audience into the performance added a new dimension to this year's entertainment. Our members enjoyed your humor and camaraderie, your magic, the way you worked the audience and your willingness to share punch lines! You were thoroughly entertaining in your approach and I would highly recommend your performance to anyone who is looking for great entertainment!

I had to laugh again Sunday, our kids had a vacation bible school program and as good Lutherans we had a *potluck*, and of course there was a tater tot casserole.

Keep up the good work and good luck to you and Cindy on the twins. Its been great working with both of you.

Dear Gayle:

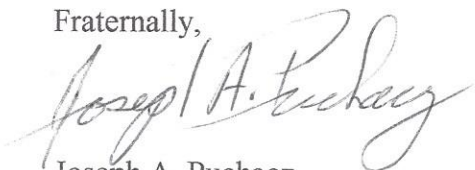

The members of Gila Valley Lodge No. 9, and Caliente Coffee Masons, want to really **thank you** for your time and great job! We could not have done this well without you. The fund raiser is to thank the Police Department, Fire Department, our EMT's and the Nurses who respond to emergency calls in Caliente and Florence Gradens. What you did is really appreciated and we really **THANK YOU!**

“**Thank you**” is one of those wonderful phrases people use to express special gratitude. But there's often a lot more to it than those two words can say. When it comes from the heart, from deep inside the nicest feelings and the most special thoughts “**thank you**” means so much. It means **thank you** for taking the time to show that you care. It means “you really made our day,” and it means that you really make all the days so much better. It means you make us feel so nice, and we wish we could do the same for you... just by letting you know how much your show meant to us.

“**Thank you**” means you didn't have to... but were so grateful that you did. “**Thank you**” means that you've done something special that we will never forget.

We thank you... from all our hearts.

Fraternally,

Joseph A. Puchacz

Dear Gayle:

Things are slowly beginning to return to normal here in my office. I would like to say "THANK YOU" for the great presentation given to our group last week at the Harveys Convention Center. The opening session was a big success!! Your "THE MAGIC IS YOU" presentation was a positive beginning to a great conference. The agent comments were fantastic! Just what was needed for our business growth this coming year. You did a fantastic job of adapting your presentation for the agents that were present.

Please check your calendar and see if you are available to present the kickoff for our regional Heartland MPI Chapter Annual Meeting on the evening of April 10 in Ames, IA. There will be over 70 meeting planners and hotel representatives from Nebraska and Iowa attending and it would be a great opportunity for them to see what you can do. I will be in touch during the next month to confirm this with you.

It was great to work with you. My best wishes for continued success in the future and I do hope it will be possible to work together again. My recommendation will be given to all my associates in the meeting industry that this is a program that they should consider for their group.

Dear Carole,

Thank you for recommending Gayle Becwar for our East Central Incentive Meeting. He provided excellent entertainment and a subtle message I asked for.

Please let Gayle know that he really made the night special for our guests. He wasn't "just a magician". He was a good comedian, too. He really made the whole night enjoyable and I received lots of good comments from the attendees.

Gayle was very easy to work with ahead of time. He came early, attended our dinner and, besides entertaining at our meal function, he later slipped into the hospitality room and did some tricks to further entertain our dealers and their children. I would certainly recommend Gayle to any group wanting good clean fun and entertainment for their meeting.

Carole, I appreciated the fact that you took the time to gain a good understanding of my needs for this event. Gayle fit my objectives perfectly. Your service was excellent and I have forwarded your name to others in my region. Please contact me in 9 months for my next function.

It was a great pleasure to have you perform at our recent workshop in Grand Island for county clerks, election commissioners, registers of deeds and treasurers. Your humor and magic added a tremendous amount to the success of the overall program.

WOW! YOU WERE FANTASTIC!

Thank you for an outstanding performance! I haven't laughed that much in years. Your presentation of good, clean humor was a real hit with everyone!

You had quite a challenge with our group — to entertain a very mixed audience consisting of dealers, administrative assistants, automotive instructors, automotive students and their parents. Everyone could relate to your humor. The students were especially pleased when you selected the instructors to be a part of your act. They couldn't wait to get back to school to tell everyone how intelligent the instructors looked in the shower caps.

Thanks again for making the annual awards luncheon a great success.

What can I say other than FANTASTIC JOB!

This being my first convention at NPCA you made me look great.

Speakers and entertainment for a convention are always one of the hardest parts of organizing a successful convention and the performance you gave left my members talking for three days over the opening night dinner.

Thanks for your help in making my job easier.

Could I ever be of assistance to you in the future please feel free to call.

Dear Gayle,

Just saying **THANK YOU** doesn't seem to say enough for the great performance you gave our group last Thursday evening. I thought your performance this year was better than the last time we saw you perform for us, if that can be possible. Many great comments of amazement were heard after your show.

Gayle, if you ever need a recommendation please have anyone give me a call and I will be more than happy to tell them the outstanding job you have done for us the past two years. Good luck in your future and I hope you end up with your wishes.

REF: YOUR HELP WITH SUMMER CONVENTION WAS APPRECIATED!

Dear Mr. Becwar:

When planning our conventions, we're challenged with coming up with that one single part of the event that people will remember -- that one program that encourages them to attend our convention the next year. Because of this, we place a significant amount of importance on the quality of the final program of the convention.

I'll keep my thank-you letter brief. You exceeded my expectations and are a first class entertainer. I hope we can work together in the future. Thanks for putting on a great program.

Sincerely,

Dear Gayle,

I must say **Thank You** again for the performance you did at our N.I.C.C.A. Banquet tuesday night. That was the most entertaining evening I've ever seen. Your act was just out of this world. The comments that I received from others at the banquet regarding your act were outstanding. You should be very proud of your accomplishments as you have a brilliant career in entertainment ahead of you.

I would highly recommend you to any group looking for superb entertainment. Best wishes in the future and I hope to see your act again sometime.

You gave an excellent performance for our bankers at the banquet. It put a nice end to a good convention.

Most of the comments heard were "he was great" and "my cheeks hurt I laughed so hard". Thank you for entertaining them with your talents. As I mentioned before it was a change from our usual format but it turned out to be very successful.

Meeting you also provided the opportunity to get reacquainted with an old friend, your wife Cindy. I wish you both much success and will keep your agency in mind when look for convention entertainment. Enclosed is the information packet and photo you provided to reuse.

Thank you so very much for the fantastic entertainment you provided at the LI-COR Christmas Party. Everyone raved about you at work on Wednesday and asked when we could have you back again. Congratulations and thank you for making our party a success. We were sorry to hear about your father's hospitalization and trust he will be removed from Intensive Care soon. It's always difficult any time of year to have a family member in the hospital, but especially at Christmas time. I know several people from LI-COR are praying for you and your family.

I just wanted to drop you a line to let you know how much we enjoyed your presentation at our annual Employee Awards Banquet.

Your show far exceeded my expectations. Before I ever left the Marina Saturday, I was receiving compliments on the evening, and they continued to "flood in" on Monday morning!

Your performance was the highlight of the evening, and everyone really thought it was great, and hated to see you do your final act.

I have heard nothing but praises of your performance here at Labette Community College. I am very disappointed to have missed the show, but I trust Scott and the Campus Activities Board took care of you.

The students here are still talking about your show! They loved you! I have encouraged Scott McMillan to send an evaluation to the "Programming" magazine of NACA. From his comments, I am sure you can count on a very good assessment from him.

I appreciate your flexibility with the teasers. When I heard you were running late, I pretty much wrote off the show. But you came through with flying colors by performing an unscheduled teaser at the dinner hour. If it weren't for that, I am sure our attendance would have been much lower.

Enclosed you will find some photographs and a letter from "good old" Don Wilkinson. I hope you can use the pictures. What did you think of Scott's flyer design? Maybe you can use them. I assume you kept a copy- if not let me know and I'll send you one.

I wish you continued success and urge you to use us as a reference. Your attitude and professional demeanor will take you far. Simply put, you're the best!

MAGIC

Dear Friend,

Welcome to the world of PROJECT MAGIC. PROJECT MAGIC is a new program designed to give the gift of magic to people with numerous physical, mental or social disabilities: using magic as a therapeutic tool for rehabilitation.

You will be working with a medical professional at a hospital. Try to contact an occupational therapist at a hospital and give him/her a copy of the enclosed letter. (Be sure to make several copies since you may need them for several contacts.) It will help them understand what PROJECT MAGIC is all about. Once you have made contact with them and they indicate they are interested in working with you, then fill out the enclosed card and mail it back. You will then receive the PROJECT MAGIC booklet of instructions.

Thank you for your interest. I know you will find this to be a very exciting program. This is an opportunity to do more than entertain with magic--you will be changing people's lives, including your own.

Dear Gayle:

Finding a way to say thank you poses a problem. We say thank you to someone for passing the salt - and thank you to someone for saving a life. The same two words are supposed to convey many shades of meaning, a different degree of feeling. Inadequate as the two words are, Linda and my staff join me in saying thank you for a most delightful magic show at our Christmas party at the Ferguson House. This was a very kind gesture on your part and, obviously, much appreciated. Your magic show was really the highlight of our party and everyone was most delighted with your performance. You are a most talented young man and we wish the very best for you in your many endeavors.

Linda and my staff also join me in wishing for you a very happy holiday and an exciting and fruitful 1982.

With all the sincerity we can muster, once again, we say thank you for joining with us at the Christmas party.

With gratitude,

Allen J. Beermann

Dear Gayle:

As you probably remember, I have had an opportunity on two occasions to be both an observer and a participant in your magic programs. Notwithstanding the fact that I will never forgive you for driving a sword through my neck, I would like to take this opportunity to tell you how much I have enjoyed your shows.

I have no idea how long you have been putting on your magic show. I can tell you from an observer's standpoint that it appears you have been doing this for years and years. Your program is entertaining and it has been a delight to both audiences where I have seen it. I would recommend you to anyone whom might like to hire you for an evening's entertainment.

Gayle, I want to wish you the best of luck in the future. I hope I have an opportunity again to watch your show.

Very truly yours,

Mike Johanns

Dear Gayle:

I want to thank you once again for your outstanding efforts at the Fleming Food Show on April 29.

As you can see from the attached letter, our booth tied for second place for the best decorated booth. Your dedication and hard work at the show was due, in a large part, to our second place finish.

As I told you before, Wells Blue Bunny received first place and we tied with Coke for second place. Neither one of these booths had a magician, or even tried to tie-in with the magic theme. Therefore, I can sincerely say we had the best over all booth. This feeling was also conveyed to me by several other brokers who participated in the show.

Enclosed are pictures we took at the show. I hope this letter and pictures can be of help to you in your future endeavors. If you should ever need a recommendation, please feel free to use my name, as I can honestly say you were the one that made our participation a huge success.

Yours very truly,

J. H. KENNEY COMPANY

I wanted to personally thank you once again for doing a great job as our opening entertainment for our Preliminary Awards session the evening of March 21. Everyone I visited with was VERY positive in their reviews and I have to admit that you had me laughing along with you from my position "behind the scenes."

You are definitely on our list of entertainers and speakers to book again in the future. I hope you feel as positively about your time with Nebraska DECA as we did in having you as a featured performer.

Again, thanks for being with us for our 40th Anniversary celebration.

Dear Mr. Becwar:

No words can express how deeply appreciative we are here at the Youth Rehabilitation & Treatment Center in Geneva for your role in making our Spring Banquet/Volunteer Recognition event a glowing success this year. Facility youth are still talking about your magic show, and everyone I have visited with since the banquet has a particular appreciation for your use of humor during the show. Some of us have not laughed that hard in quite some time. I have enclosed just a few of many thank you notes written by the youth at YRTC-Geneva.

On behalf of myself and the facility, I would like to offer my sincerest appreciation to you. The youth we serve need to laugh on occasion, and you offered them a rare opportunity to do so. I hope this finds you well, and again I wish to extend my appreciation.

Sincerely,

Dear Gayle,

The Attention Center for Youth would like to thank for the exciting show you put on at our resident Christmas party.

Residents (and staff) were talking about your magic and humor for days after the event.

We also appreciate the "donation" of the special rate, which made it possible for us to afford your level of talent. Many of our youth have never had the opportunity to be involved in live entertainment, and I'm sure you made many lasting impressions.
